What to do with organic waste

Put a bioplastic bag in the bin, to avoid unpleasant smell. Leave the bin in front of your door on collection days.

Can we use the composter?

Sure. If you don't have one, you can ask for it from the city hall. The use of a composter allows you to save 10% on the trash tax.

What to do with bulky waste

Bulky waste (such as iron, fridges, TVs, furnitures, mattresses, electric devices, etc.) will be collected monthly.

The first Friday of each month you will find a truck parked above the festival's area between Villa and Riva. You can bring there your bulky waste from 9 am to 4 pm.

At the same time a smaller vehicle will be in Villa, collecting from Riva, Tovo and Tovetto from 9 to noon. This vehicle will then move to Riva from 1 to 4 pm, collecting from Riva and Deglio.

ATTENTION!

Starting from the 2nd of April (Villa, Tovo and Tovetto) and from the 3rd of April (Riva and Deglio) bins won't be on the streets anymore.

For any question call 0183/92917 or 334 6756929.
